*Please note that there will be an additional charge of £35 per hour made for 1,000 and 2,000 gallon jobs that take longer than 1 hour to complete.

Emergencies are charged at £181 per 1000 gallons/ 4546 litres during working hours & £198 out of hours inc Saturday. This work must be paid for in advance.

Pipe Rodding can be carried out by the crews from the interceptor to the holding tank. The charge for this is £58 and must be arranged at the same time as the cesspool empty.
