

## **Information about private hire and Hackney carriage assessments**

Information about private hire and Hackney carriage assessments has been available as a hardcopy booklet in the past. From 1 December 2010 DSA no longer issue hardcopy booklets for distribution to candidates. DSA will still make an electronic version of the booklet available to local authorities.

The information in the booklet can also be found at [businesslink.gov.uk/transport](http://businesslink.gov.uk/transport) within the taxi and private hire section. Please refer potential drivers to this site.
