Percentage					5.7%
District Total Units					6336

¹ Figures are taken from the mid-2015 population projections from the Office of National Statistics (October 16 2016). See paragraph 5.1.2 of the Settlement Hierarchy (2018) for further information on population methodology. Double asterisk (**) denotes that there was insufficient data for the desired Output Area (OA).

Table A – Site Allocations per settlement position within the Hierarchy

* Indicates settlements washed over by Green Belt. While Badgers Mount has been classified as a Hamlet due to limited facilities and services, the settlement has a defined Green Belt boundary.

Site ST2-52 is nearest to Longfield which is not listed in the Sevenoaks District Settlement Hierarchy and has one allocation of 31 units.

Site ST2-72 is in Wrotham which is not listed in the Sevenoaks District Settlement Hierarchy and has one allocation of 5 units. The closest Settlement is Stansted.
