## Housing

1.1 The Purpose of this Authority Monitoring Report Factsheet is to provide a policy monitoring document for Sevenoaks District Council, detailing housing and commercial development consented and completed within this year.

1.2 This AMR provides the monitoring data for the 2020/21 year which is defined as the period between 1 April 2020 to 31 March 2021 and covers sites within the Sevenoaks District Council boundary. Please note that statistics in this monitoring year may have been impacted by the COVID-19 pandemic.

## Completions

1.5 The 2020/21 monitoring year saw a net decrease in completed commercial development of 75.9 sqm.

1.6 There was a loss of 152.8 sqm in commercial development to residential in the monitoring year. These were from two sites, one B1A use and the other D1, as seen in the table below.

### Consented

1.8 The consented planning permissions, if implemented, would result in a net loss of 9,048.2 sqm of commercial development, including some complete losses as well as reductions on existing sites.

1.9 The loss in consented developments was in part due to an overall 1,1594.4 sqm change of use or redevelopment from employment space to residential or mixed residential use developments. Of this, 9 developments totalling 2,753.5 sqm of B1A class office space was consented for conversion or redevelopment to residential use.

1.10 The consented sites for this monitoring year with notable gains in employment space (sqm) are listed below in Table 6. The largest two were also the only major employment sites consented for this monitoring year.

Table 6. Consented development sites with highest gains of employment space (sqm).

Location	Proposal	Class Use	Proposed total space	Gain in space
9 Pembroke Road, Sevenoaks	Demolition of the existing offices and erection of a five-storey replacement office complex with basement.	B1A	2,571	2,403
Sevenoaks School, Lambardes, High Street, Sevenoaks	The demolition of the existing Lambardes Boarding House, and the construction of a new boarding house for 60 boarders, including 3 residential staff units.	C2	1,852	1,196
Furlongs Farm, Sparepenny Lane, Eynsford	Prior notification for change of use from agricultural use to B1 (Office)/ B8 (Industrial).	BX	980	980

1.11 Tables 3, 4, 5, and 6 show losses and gains for sites and within use classes, which are not obviously reflected in the overall gains and losses for this year. Some developments completed and consented in this monitoring year were a change of use or redevelopment into a different employment use class. Such sites either had equal or additional employment floorspace in a different use class and so such sites may have not contributed substantially overall to the losses and gains recorded for the monitoring year.
