Dear Aaron,

RE: Application to designate Farningham as a Neighbourhood Area

Further to the Full Parish Council meeting of Farningham Parish Council on 14th May 2025, Members resolved that the whole of the Parish of Farningham be designated as a Neighbourhood Area.

Farningham Parish Council qualifies as a relevant body under Section 61G(2) of the Town and Country Planning Act 1990. The parish boundary is considered appropriate for the designation of a Neighbourhood Plan area, as it provides the highest level of democratic accountability. Establishing a Neighbourhood Plan will allow us to address local needs and help shape how and where new homes, shops and commercial premises are built. It will help ensure that future development is appropriately located and designed, supports the character of the area, protects the environment and preserves the amenities and land uses valued by the existing community.

I attach a map of the Parish of Farningham showing the area of the Neighbourhood boundary.

Yours sincerely,

Helen Penney
