Appendix C. V/C Ratio and LOS

The two tables below present the LOS and V/C Ratio in some key junctions. It should be noted that not all junctions have this information readily available or provide the same type of information. Therefore, the selected junctions below are the ones that can be compared directly. The information below was provided for reference only. The complete list of junction and link “hot-spots” are the ones mentioned in the main report.

Junction	V/C Ratio
